**Re: Direct Deposit payments**

Dear Sir/Madam:

FRI Research has the ability to pay you by means of EFT (electronic funds transfers, aka “direct deposit”) directly to your bank account. They are faster, cheaper and less administratively cumbersome than cheques. We accompany each payment with an eMail notification underlying all the related details.

Our goal is to have all vendors paid electronically. We strongly encourage you to elect to receive direct electronic payments by completing the section below, and returning it by eMail to my attention at: [accountant@friresearch.ca](mailto:accountant@friresearch.ca) or by fax at 866-757-2119.

This information will be used only for the purpose of facilitating electronic fund transfers and will be kept confidential and secure.
